CHAIRMAN MESSAGE

PROMPT MANAGEMENT SERVICES was created with a vision to attain global leadership in the sphere of placements and manpower supply. It is our constant endeavor to deliver services par excellence while achieving client satisfaction to the highest level. All this has been possible through an emphasis on quality, efficient use of carefully designed systems and processes and a deep regard for ethics, values and team spirit.

It has grown to become one of India's leading placement agencies and is proud to be servicing some of the world's major conglomerates like Kent Group, Bechtel, Fluor and Reliance to name a few.

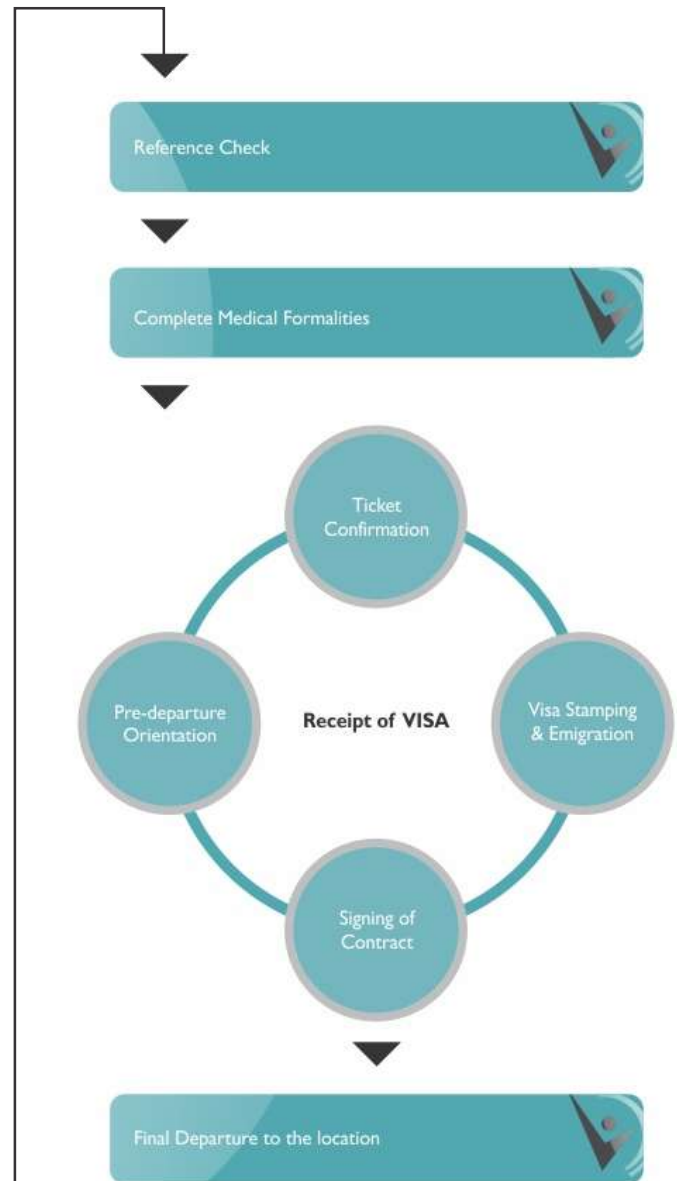

In these times of ever changing worldwide economic dynamics, PROMPT MANAGEMENT SERVICES stands out as being able to supply quality manpower from India within the right time frame and within the client's budget. Capitalizing on the wealth of talent India has to offer in all categories of employment from semi-skilled to highly qualified professionals, PROMPT MANAGEMENT SERVICES has delivered and continues to deliver both efficient and cost effective services to companies in Building Construction, Oil & Gas, Power, Refinery and Infrastructure industries.

Always prepared to face a challenge, PROMPT MANAGEMENT SERVICES has grown through the perseverance and tireless efforts of our dedicated staff in offices all over India and the goodwill of our worldwide client base and the candidates we have placed. Our passion to excel in manpower supply continues to drive us to even higher goals with a unique blend of operational efficiency and optimum use of technology.

We continue to strive to raise the quality of our services as we innovate, upgrade and expand the scope of our activities both in India and abroad. We remain deeply committed to client satisfaction while always having a deep concern for the safety and welfare of both our staff and all our candidates. It is this unique blend that has contributed to our exponential growth over the last few decades and made us rise above competition as we purposefully march towards our goal of being the best!

Recruitment Method

Prominent Clients

We provide all sorts of Human Resource Consulting Services to our clients. We at Prompt management are working to provide best manpower solution to our clients. With our stringent selection process and updated database of aspiring candidates we match the suitable talent. We focus to unite right kind of people to right kind of job.

Our commitment combined with our Methodology and Work Ethics has helped us serve our client in the best way. We give prime emphasis and time in understanding client's business & requirement. These in turn helps us giving quality service to our client. As we focus to maintain a long-term business relationship with our clients.

We can broadly define our services under three heads:

International Recruitment

Prompt Management Services is Government Approved Manpower Recruiting Agency for Manpower Support Services to Overseas clients. Our clientele are spreaded in various countries and cater to their Human Resource needs for Skilled and Unskilled Manpower Support Services.

We have a long standing association with Clients based in countries like Oman, Kuwait, UAE, KSA, Bahrain, Qatar, Russia, Morocco, Europe, South Africa, Singapore etc.

Apart from recruitment we offer some of the value added services offered by us are:

Permanent staffing

Permanent staffing is assuming great importance in the human resource strategy of every company today. Any organization that is equipped with quality and dedicated permanent staff has a greater chance of surviving and succeeding in the long run.

At Prompt management, we provide high quality personnel through our strong data base and head hunting techniques. We pride our self in thoroughly understanding our clients need and offering them tailor made solutions for recruitment with enthusiastic and dynamic approach.

Our permanent staffing selection is carried out through one of these ways:

Contract Staffing

Demand for contract staffing is increasing in India amongst the employers..

We would take care of the entire process from identifying and hiring personnel to managing their payroll, benefits, statutory compliance and HR administration to the exit of the associates, on completion of the assignments through our recruitment and staffing teams.

RECRUITMENT

it's far a procedure of attracting, deciding on and appointing suitable applicants for jobs (both everlasting or brief) foundation inside an employer.

IMMIGRATION

Immigration is the worldwide movement of people right into a destination country of which they may be not natives or wherein they do not possess citizenship.
